

VISION

To create a calm and safe space where every child is nurtured, valued, and inspired to reach their fullest potential.

MISSION

At MILLS Institute Enrichment Program, we walk hand-in-hand with families to nurture each child with patience and compassion – helping them grow in confidence, joy, and the love of learning

ABOUT THE TEACHER

The MILLS Institute Enrichment Program is led by Mrs. Brienne Napone. She has a strong commitment to inclusive learning. As both coordinator and teacher, she ensures that the program is guided by professional expertise, structured support, and a deep dedication to the holistic growth of every child. Mrs. Napone works collaboratively with families to provide meaningful learning experiences tailored to each child's needs.

Mills Institute

WELCOME TO THE MILLS INSTITUTE ENRICHMENT PROGRAM ✨

At Mills Institute, we believe that every child is unique and filled with potential. Our Enrichment Program is designed to nurture creativity, build confidence, and inspire a love for learning beyond the classroom.

Here, children are encouraged to explore, discover and grow in a safe and supportive environment where their strengths shine and their dreams are celebrated.

We invite parents and families to partner with us on this journey. With strong support from home and school, we can build a community that uplifts every learner and helps them reach their fullest potential.

WHAT IS AN ENRICHMENT PROGRAM?

An enrichment program provides children with learning experiences beyond the standard classroom. It focuses on building skills, creativity, confidence, and social growth through supportive and engaging activities.

WHY IS IT IMPORTANT?

Every child learns in their own unique way. Enrichment programs create opportunities for extra support and meaningful challenges, helping children reach their fullest potential while feeling valued and encouraged.
